Type of permit applied for: \_\_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_

Square Footage \_\_\_\_\_ Total Approximate Value \_\_\_\_\_  
(Including Labor, Material,  
Plumbing, Electrical and HVAC)

I hereby make application for a building permit. I agree to abide by all ordinances pertaining to improvements on said property. I agree to contact City Hall for all required inspections, I also understand failure to obtain proper inspections will result in a \$50.00 fee being imposed for each inspection missed. I also agree to a \$50.00 reinspection fee if inspection does not pass and building official must return to sight for same inspection. I also agree that I will follow the building plans submitted to the building official and approved by him, any changes must first be approved again by the Building official. Failure to do so will result in additional fees.

Signature

NOTE: You must provide a copy of your plat with any and all improvements in existence and a drawing of the proposed improvement(s). Some Building permits require Blue prints. Septic Systems and Pools require approval of site by Collin County and Sprinkler Systems require a backflow check report. Please ask if you will be required to have the above for your project.

**Contractors are required to register with the City before beginning of construction (Builders, concrete, plumbers, electricians, HVAC contractors and Irrigators).**
